**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

United States of America,  
  
Plaintiff,  
  
v.  
  
Tyree Walker,  
  
Defendant.

Case No. 2:20-cr-00126-APG-VCF

**ORDER Granting the  
Unopposed Motion to Modify  
Conditions of Pretrial Release**

Section 3142(c)(3) of Title 18 of the United States Code gives courts authority to amend or impose additional or different conditions of release at any time after consideration of the release factors under the Bail Reform Act. Tyree Walker has been on pretrial release for over a year. On May 19, 2022, he admitted to violating his release conditions after having used marijuana in April. He was admonished and released after serving approximately three weeks in custody.

Since his release approximately two months ago, Walker has been fully compliant. He has appeared as scheduled for all drug tests and all tests have been negative. He has stayed in regular communication with his pretrial services officer and defense counsel. His sentencing hearing is scheduled for August 18,

1 2022. Walker requests that his drug testing condition (condition #43) be removed  
2 as no longer necessary. Neither the government nor Walker's pretrial release  
3 officer, Angela Loveless, oppose this request.
